Sir,

In forwarding herewith, an extract from the proceedings of the meeting of the Chitaldrug Town Municipal Council held on the 7th March 1911 proposing the increase of pay to the Mutsaddi of the Chitaldrug Vice Presidents' Office from Rs 8 to Rs 12 and the abolition of the post of Peon on Rs 6 I have the honor to state as follows:—

The clerical establishment sanctioned for the Chitalong Vice-President's Office consists of a mutsaddi on Rs 8/- whose pay is met entirely from Municipal funds. This official is entrusted with the work of levying Octroi duty on piece goods brought into the Municipality, while a peon otherwise called kolkar on Rs 6/- is deputed for stamping the cloth after the duty is levied. Besides the mutsaddi has to maintain the accounts relating to the collection of house and mohatarfa taxes, which at present amount to Rs 1750/- and attend to the correspondence connected with the sale of sites, tehzari tahtas, the wood, appertaining to the same,

&c.

4 of taxes and the preparation of monthly and annual accounts in addition to the maintenance of registers. The peon or kolkar has no other work besides stamping the cloth which occupies him hardly a couple of hours a day and this work can be efficiently got through by the mutsaddi.

From the enclosed copy of report – No 505 dated 4th March'11 received from the Vice President, Chitaldrug Municipality, it will be seen that the work has considerably increased of late and with the introduction of the Municipal Regulation

I

I dare say has increased twofold.
I agree with the Opinion of the
Municipal Council and the
Vice President that the pay of
the Mukaddi is not commensurate
with the work expected of him and
the responsability devolving upon
him. The Council being alive
to the above facts have proposed the
increase of the pay to the Mukaddi
from Rs 8 to 12 per mensem, the
Services of the Peon or Kolkar on
Rs 6 who has not got enough of
work being absorbed elsewhere.
By this arrangement, there will
be a net Savings of Rs 24/—
per annum. To secure the

9 Secretary of a competent Official to look after the increasing work of the Vice President's Office. It is very necessary that the pay of the Mutsaddi should be raised to attract men of sufficient educational Qualifications I therefore solicit the sanction of Government may kindly be accorded to the proposal of the Municipal Council with effect from 1st May 1911.

Necessary provision has been made in the ensuing years budget for this purpose and the required proposition Statement is herewith submitted

I have the honor to be
Sir
Your most Obedient Servant
K. Chaudry
Vice President & Municipal Commissioner

Letter No. 505 Dated 3rd March 1911 from the Vice President, Clubalang Municipality Clubalang to the President of Municipality

---

"I have the honor to bring to your kind notice that the work in my office has considerably increased since the transfer from the Builder's office of some of the works connected with this Municipality. Before the Treasury Assistant Commissioner was appointed Vice-President, the Builder was the Vice President who acted as the Executive in matters municipal. He was therefore entrusted with the supervision and collection of the town Mohataffa Taxes, preparation of all accounts, the conduct of proceedings connected with the Sale of lands for arrears of Municipal revenue, transfer-

of Pattas and other miscellaneous
matters. The valuation and the levy
of Octroi duty on Cloths received
into the Town was also managed
by the Bundar. All these works,
I learn were got through by one
of the Revenue Sunnastas in
the Taluk Office. Since their transfer
to my office, the work has increased
two-fold, but there is only a
Mutsaddy on Rs 8/- to look after
them. Considering the increase
of work and the responsibility
thrown on this Official, I am
of opinion that the pay he
now gets is inadequate and
should be raised in proportion
to the responsibility thrown on him

Yours

There is a Kolkar on Rs 6/- who has been assisting the Mukaddy in the stamping of cloths and the major portion of the clerical work and the keeping of duty is done by the Mukaddy. The work done by the Kolkar is only nominal and judging from the work turned out by him, I consider that his appointment is superfluous and unnecessary and that his duties can efficiently be managed by the Mukaddy without detriment to his legitimate work.

I therefore beg to propose that the appointment of Kolkar may be done away with, the present [illegible] vacancy

9 absorbed elsewhere from the account thus saved, I recommend that the pay of the mubaddy be raised from Rs 8 to Rs 12/- the balance being treated as net savings to the municipality.

Proposal from the Vice President that as there is not sufficient work for a Kolkar and for the mutsaddy and as the mutsaddis' pay of Rs6/- is too small, the appointment of Kolkar be abolished (the present incumbent being absorbed) and the pay of the mutsaddi be raised to Rs12/-.
